

The Doo Gro Brand

Although Greek organizations value academics over athletics, there is a varsity spirit in the representation of Greek letters and colors. Delta Gamma sorority is often referred to as Dee Gee. Their motto is “Do Good,” consequently, the sisters of Delta Gamma have unofficially adopted the “Doo Gro” brand for afro textured hair. While the “Deep Down Intense Penetrating Conditioner” is recommended, Doo Gro had a breakthrough with their “Infusion Oil” collection that’s specific to curl pattern. After finding the right “Infusion Oil” for your hair type, add a teaspoon of fenugreek seeds to stimulate growth.
